

SUCCESS FOR ALL STUDENTS AT HOMEWORK HELP

What is Homework Help All About?

Homework is an important part of a student's educational success. We would like to provide students with the support they need to achieve this academic success. We believe in our students and want to see them achieve their greatest potential.

What Happens At Homework Help?

Students will sign in and discuss with the Homework Help advisors what homework he or she has to complete. Teachers will be there every day to assist them with their assignments. Once their assignments are done they will be permitted to leave.

When and Where is Homework Help?

Homework Help will be available Mondays-Thursdays from 2:45-4:30 in the NEMS library. The first day of Homework Help will be Wednesday, September 21st.

How will my child get home from Homework Help?

If a student is a walker he or she will be permitted to walk home when work has been completed. If the student is a bus rider, he or she will ride either the 3:30 bus or the 4:30 bus, depending on the amount of homework he or she has to complete that night.

The student may also be picked up at any time.

How will I know if my child has stayed?

Please make arrangements with your child prior to the school day if they are expected to stay.

If they decide during the day that they are in need of staying for Homework Help, they will call and leave a message.
