

Earle C. Davis Primary

50 East Division Street • North East, PA 16428 • (814)725-8671

Kindergarten registration at Davis Primary takes place in late March or early April each year. Notices are sent home with all elementary students as well as local preschool students. We also prepare an ad for the North East New Journal regarding our kindergarten registration.

Each child entering kindergarten should have had his/her 5th birthday by May 31st in order to register for kindergarten. However, if your child's birthday falls between June 1st and August 31st, you may request to have us screen your child for early admission.

Please note the student immunization requirements under the immunization requirements tab. Questions and concerns regarding immunizations should be directed to our school nurse, Mrs. Karen Ruler, at ext. 3012.

Please call the Davis Primary office or stop in if you have any questions regarding kindergarten registration.
